App Store II

Once the app has downloaded to your device, go ahead and open it.

The first time you run the app you will need to tell it how to connect to the Remote Apps server.

Tap the + icon in the top right and choose Add New Workspace.

In the **feed URL**, enter the web address for your Remote Apps server from the first page of this guide.

For example, for Royds Hall this would be: https://rhsrds.sharemat.org/rdweb/feed/webf eed.aspx

In the **'User account'** list, add a new user account and use your school email address and password as the username and password.

Tap 'Next'.
